

# PROF. DR. PETER YOUNG

VITA

## Clinical Director Neurology

Professor Peter Young, MD, is a proven specialist in the entire spectrum of neurology. From 2013 to 2019, he headed the Institute for Sleep Medicine and Neuromuscular Diseases at Münster University Hospital. At the University of Münster, he held a W2 professorship in clinical neurology and neurogenetics for more than 10 years. His clinical specialties include neurophysiology, neurogenetic diseases and their diagnostics, and intensive care and respiratory medicine. From 1999 to 2001, he practiced at the Swiss Federal Institute of Technology in Zurich. He then continued his practice at Münster University Hospital.
